Exiles Eden Psychotherapy Evolutionary Perspective

Psychotherapy and psychological interventions need to be framed within the context of evolutionary understandings and developments of human psychology and behaviour. The book is very readable with lots of case illustrations of the principles of applying evolutionary perspectives to elucidate common problems experienced by those who seek therapy.

Exiles in Eden brings a unique perspective to the table as Reyes is a "trash-out" man working for his father's business in between writing gigs. The empathy he experiences while cleaning out foreclosed owners' homes leads him to try and understand how the current crisis came about, its place in Florida's boom-and-bust history, and what can be done for those affected by it.

Exiles In Eden: Life Among the Ruins of Florida's Great ...

A Reflection on Mark Schwenn's Exiles From Eden — Schwenn published Exiles From Eden: Religion and the Academic Vocation in America some twenty years ago, in which he challenges higher education's substituting an emphasis on research in place of human formation. This brief article, "Teaching Viritues," revisits that theme.
