This book is the first to carry on directly from the last, and the plot is very, very clever. We learn something that honestly changes EVERYTHING! We only meet the "City of Shadows" in the last 150-100 pages; before that, Scarrow completely goes against the standard plot and takes us on an adventure, like no other we've seen beforehand.

It stank! I tried to read it a second time to prepare myself for City of Shadows, and I couldn't even read it half through. My point is, this book, book number six, makes up for that. There's so much story plot revealed, and some twists and turns that I never expected. Books one through three were the Time Riders trying to get used the their job.
